

## **enCore Energy Commences Trading Under the Symbol ENCUF on the OTCQB Venture Market in the United States**

**Vancouver, BC, September 10<sup>th</sup>, 2019: enCore Energy Corp. (TSX.V: EU)** (the "Company") is pleased to announce that the Company's shares have been approved for trading on the OTCQB Venture Market ("OTCQB") in the United States under the symbol ENCUF.

The OTCQB is a verified market with efficient access to investors that will enable enCore to increase its shareholder base in key capital markets. In particular, increased exposure to investors in the United States is key to achieving a fair market valuation and an increase in liquidity benefitting all shareholders. Furthermore, a listing on the OTCQB provides investors with enhanced transparency as a result of additional reporting obligations compared to the OTC Pink Sheets. The Company's shares previously traded on the OTC Pink Sheets under the symbol TGRUF.

Investors can find financial disclosure and Real-Time Level 2 quotes for the company at [www.otcm Markets.com](http://www.otcm Markets.com).

### **About enCore Energy Corp.**

enCore Energy Corp., with assets based entirely in the United States, has a 100% interest, with no holding costs, on 115,000+ acres (46,400 ha) of private mineral rights in New Mexico, including the Crownpoint and Hosta Butte uranium deposits. These deposits contain an Indicated Mineral Resource of 26.6 million pounds of U<sub>3</sub>O<sub>8</sub> at an average grade of 0.105% e U<sub>3</sub>O<sub>8</sub><sup>(1)</sup>. A portion of these resources are under NRC license. The Company also holds the Marquez and Treeline projects in New Mexico as well as other properties in Utah, Arizona, and Wyoming. The Company owns or has access to an extensive collection of proprietary North American and Global uranium data including the Union Carbide, US Smelting and Refining, UV Industries, Rancher's Exploration databases in addition to a leading geophysical data collection concerning the high-grade Northern Arizona Strip district.

#### **Cautionary Note Regarding Forward-Looking Statements**

*This news release includes certain forward-looking statements within the meaning of applicable securities laws including the anticipated completion of the transaction and acquisition of the Marquez, Nose Rock and other properties, and the potential advancement thereof. Forward-looking statements are statements that relate to future, not past, events. In this context, forward-looking statements often address expected future business and financial performance, and often contain words such as "anticipate", "believe", "plan", "estimate", "expect", and "intend", statements that an action or event "may", "might", "could", "should", or "will" be taken or occur, or other similar expressions. Estimates of mineral resources and reserves are also forward looking statements because they constitute projections regarding the amount of minerals that may be encountered in the future. All statements, other than statements of historical fact, included herein including, without limitation; statements about the terms and completion of the transaction are forward-looking statements. By their nature, forward-looking statements involve known and unknown risks, uncertainties and other factors, which may cause the actual results, performance or achievements, or other future events, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Forward-looking statements are made based on management's beliefs, estimates and opinions on the date that statements are made and the respective companies undertakes no obligation to update forward-looking statements if these beliefs, estimates and opinions or other circumstances should change, except as required by applicable securities laws. Investors are cautioned against attributing undue certainty to forward-looking statements.*
